Cognitive Skills

Our online advanced Cognitive Skills program promotes a deep understanding of the 75 Cognitive Skills. By consolidating a student’s fundamental literacy and numeracy skills, advancing their effective learning abilities, and improving higher order thinking skills they will be on the pathway to success. The individual program cost is \$9.95 per student plus GST per year.

INCLUDED IN PACKAGE

Gaining QCE credits with Mighty Minds

Short Course in Literacy 1 QCE CREDIT

This online program is aligned to the Literacy (2018) Short Course syllabus. Students will work through two sections of work and complete assessment to cover the requirements of this QCAA course. We also support students by providing access to fundamental literacy skills, writing and reading activities to fill any gaps required to complete the course successfully.

Short Course in Numeracy 1 QCE CREDIT

This online program is aligned to the Numeracy (2018) Short Course syllabus. Students will work through sections of work and complete assessment to cover the requirements of this QCAA course. We also support students by providing access to fundamental numeracy skills to fill any gaps required to complete the course successfully.

PRICES FOR SHORT COURSES ARE BASED ON THE NUMBER OF ENROLMENTS IN A COURSE OVER THE SCHOOL YEAR.

COST: <10 STUDENTS \$95; 10 TO 29 STUDENTS \$80; 30 TO 99 STUDENTS \$65; 100+ STUDENTS \$55. PRICES ARE PER STUDENT PER COURSE PLUS GST.
