

Looking for a tailored solution to improve student understanding and engagement?

Book a workshop with Mighty Minds!

With a wide range of specialist knowledge, we cover:

- Succeeding in Senior
- Active Learning Methods
- Writing for Success
- Memorising Techniques

Have a specific topic you want us to cover instead?

The Mighty Minds team will collaborate with your school to design a workshop that is ideally suited to your students and your needs. Our aim is to provide solutions and improve the results of all your students. Whatever type of workshop your school needs, we can provide it!

Workshop bookings:

Our workshops are a flexible learning tool and can be delivered during or outside school hours. **Please call Steve McCabe directly on 0438 715 105 or email steve@mightyminds.com.au to discuss the design of your student workshops.**

Expert facilitators

Our workshops are delivered by our Director Steve McCabe who ensures high levels of engagement by students.

Resource booklets

Resource booklets with activities, tips and strategies are provided for students to keep.

Designed to suit you

We design workshops to suit your specific needs, based on your data or goals.
