Achieving Personal Success Junior Program

Our Achieving Personal Success Junior Program includes hundreds of topics designed to assist students in developing their critical thinking and problem solving skills, goal setting, emotional intelligence and higher order thinking.

✓
INCLUDED IN PACKAGE

Cognitive Skills

Subject based cognitive verb questions, which use our unique criteria system that enables each student to develop their higher order thinking abilities. The activities provide real-world applications, suggested problem-solving steps and world-first proficiency scales, individual, class, and cohort tracking system, weekly tasks aligned to your school's curriculum plan, self-, peer-, teacher- marking available.

✓
INCLUDED IN PACKAGE

Fundamental Skills (English, Mathematics and Science)

Fundamental Skills are the basis for academic success. Our portal contains theory and associated questions, aligned to specific literacy and numeracy focus elements that have been mapped to the Australian Curriculum. The program facilitates self-paced independent or group learning, and the activities can be easily integrated into existing learning programs. The individual program cost is \$22.95 per year per student plus GST per year. Includes Diagnostic Testing (NAPLAN and ACARA Codes).

✓
INCLUDED IN PACKAGE

Diagnostic Testing (NAPLAN and ACARA Codes)

Complete, free online diagnostic testing: Reading, Language Conventions, Writing (any genre, can be marked by Mighty Minds for a fee or we can train your teachers), Numeracy (Calculator and Non-calculator) and Cognitive Skills. The individual program cost is \$12.95 per year per student plus GST per year.

✓
INCLUDED IN PACKAGE

Writing Program

The ability to write well is essential. Our writing program was created to be easily integrated into any curriculum program be it in the classroom, homework schedule or as an additional resource to support your student's learning. The individual program cost is \$9.95 per year per student plus GST per year.

✓
INCLUDED IN PACKAGE

Reading Program

Comprehension skills are the foundation of performing well in any subject. Our reading program reinforces the fundamental knowledge each student needs to succeed. With flexible online delivery to suit any school's schedule and needs. The individual program cost is \$9.95 per year per student plus GST per year.

✓
INCLUDED IN PACKAGE

Creative and Critical Thinking Program

Thinking strategies are essential in problem-solving. This online program focusses on building creative and critical thinking to ensure your students' responses to a task are well rounded, increasing the chance that the ultimate goal will be achieved. The individual program cost is \$9.95 per year per student plus GST per year.

✓
INCLUDED IN PACKAGE

*Prices and offers are subject to change without notice. Prices are based on enrolling 20 students, additional cost per student when less than 20 students are enrolled.
