## Extra features

### Level up!

Correctly answering questions and completing challenges earn you points to level up and unlock new profile icons.

### Leaderboard

The top 3 highest scoring students in each year are displayed on the leaderboard. Students can add friends and classmates to view each other's score on the leader board.

### Tracking

As well as tracking students overall data for Mighty Minds Focus Elements, teachers can keep track of how often students use the Practise section, making it easier to track homework tasks.
