Please email us at portal@mightyminds.com.au or phone (07) 5689 1086 for more information.

¹School will receive access to the Mighty Minds Language Conventions NAPLAN exam.

²Cognitive Verb activities will be set up / assigned by Mighty Minds staff. The school will be allowed to select the few Cognitive Verbs they would like to cover.

³Tracking of cognitive development will be limited to the online activities completed by the student. This will not include school-based assessment.

⁴Training will vary based on individual school circumstances. Please contact Mighty Minds for more information.
